

REPORT OF THE GENERAL SECRETARY FOR THE YEARS, 2009-10 & 2010-11

C. UMAMAHESWARA RAO, I.A.S.(Retd.),
General Secretary

His Excellency, the Governor of Andhra Pradesh and President of the Indian Red Cross Society, A.P. State Branch, the Chairman, Vice-Chairman, Members of the Managing Committee, Member Delegates of District Branches and Sub-District Branches, Patrons, Vice-Patrons and Members and volunteers of the Red Cross and Representatives of print and electronic media,

It is my privilege to invite you all on behalf of the Indian Red Cross Society, A.P. State Branch and on my own behalf, to the Annual General Meeting for the years, 2009-10 and 2010-11 of the Indian Red Cross Society, convened on this day, the 11th July 2011.

This is the first Annual General Meeting after adoption of New Rules approved by Her Excellency, the President of India and His Excellency, the Governor of Andhra Pradesh, who are ex-officio Presidents of the Indian Red Cross Society at National and State Level respectively.

The Andhra Pradesh Red Cross has been striving to fulfil its objectives enshrined in the seven fundamental principles of Red Cross Movement ~ Humanity, Impartiality, Neutrality, Independence, Voluntary Service, Unity and Universality.

Andhra Pradesh is one of the States having long coastline (about 1000 km) abutting Bay of Bengal and prone to natural disasters, such as floods and cyclones, every year in some district or the other. It has, therefore taken up projects for livelihood of fishermen, community disaster risk reduction with an objective to improve the capacities of the communities to face disasters. Recognising the capabilities of the Red Cross State Branch, the Spanish Red Cross and Canadian Red Cross, have come forward to assist the State in the Districts prone to natural disasters in a big way.

The Red Cross State Branch and its District Branches acted swiftly and played a significant role to supplement the efforts of the State government, in evacuating inhabitants from vulnerable areas to safer places, organising rescue, relief and rehabilitation

operations when thousands of people were displaced due to floods in Kurnool and Mahaboobnagar Districts due to unprecedented floods from Tungabhadra, Krishna and Handri rivers in October, 2009, in June, 2010, when the Laila Cyclone created havoc in five coastal districts of Andhra Pradesh, the major parts being Prakasam and some parts of Krishna, Guntur and Nellore Districts and in October, 2010, when heavy rains for nearly one month caused enormous loss to the crops had occurred in Nellore, East Godavari, West Godavari, Krishna, Guntur, Srikakulam and Prakasam Districts.

The Red Cross State Branch has also been active in areas like Blood Transfusion Services through voluntary blood donation campaigns, Mother and Child Health Care, providing relief to thalassaemia Children by giving free blood transfusion and medicines at subsidised cost, vocational training programmes to urban and rural poor children, maintaining medicine banks, propagation of human values among youth, creating awareness of HIV/AIDS, etc. The activities carried out during the years, 2009-10 and 2010-11 are given in brief in the Annual Report.

The audited Accounts of the Andhra Pradesh State Branch (Hqrs.) for the financial years, 2009-10 and 2010-11 along with the Estimates for the year, 2011-12 are also furnished in this Annual Report.

The Red Cross State Branch is conscious of the fact to it has to strive towards highest standards of ethical behaviour in the management. The Red Cross has traditionally demanded and received the highest ethical performance from its members, volunteers and employees. In an effort to maintain the high standard of conduct expected and deserved by the donors, philanthropists and general public, the Managing Committee of the Indian Red Cross Society, A.P. State has laid down certain Code of Conduct for all its members, volunteers and staff. The Code of Conduct is published in this Annual Report. All the members, volunteers and staff of the State Branch are required to sign an undertaking to abide by the Code of Conduct.

Plans are afoot to improve upon the efficiency and capacity building of the State Branch to render its voluntary services in a more effective and efficient manner and some steps have already been initiated in that direction.

A Human Resource Policy has been adopted from 1st April, 2009. Steps are being taken to streamline the procedures for preparation of budget and maintenance of books of accounts, with an objective to work gradually towards financial viability of each unit. A formal financial management manual with the following objectives is being prepared:-

- ✧ To strengthen fiscal and financial management at all levels and to serve as a reference document to each account entry passed.
- ✧ To ensure uniformity in accounting; thereby facilitate timely preparation of accurate financial statements and improvise the facilities for better services, working conditions to employees.
- ✧ To develop an Integrated Financial Management Information system through Tally Software.

For an voluntary service organisation like Indian Red Cross Society, fund raising is an important activity to strengthen its service activities and outreach the vulnerable communities. The Indian Red Cross Society State Branch solicits active participation of general public and youth by way of taking membership and donations, joining as volunteers. The theme of the Red Cross Day this year, 2011 is Volunteerism - Find the Volunteer inside you . We all need to understand and remember that volunteering is at the heart of community-building and fosters good citizenship. Through volunteerism we have the opportunity to learn the responsibilities of community and civic involvement. I, therefore, appeal on behalf of the Indian Red Cross State Branch to become volunteer of the Red Cross.

I am also glad to report that Vedanta Foundation, Mumbai, in response to a proposal made by the State Branch in February, 2011, for providing support to Thalassemia Children / patients at Dr.C. Saraswathi B. Rao Red Cross Thalassemia Centre at Red Cross Blood Bank, Hyderabad, has responded positively and agreed to donate Rs. 38.50 lakhs through its Associate M/s. Lakecity Ventures Pvt. Ltd. to meet about 50% of the total estimated expenditure for maintenance of the Transfusion Centre for one year. The first instalment of the donation of Rs.19.25 lakhs has since been received. We would like to thank them for their gesture and hope their support would continue.

I would like to convey my sincere thanks for the kind advice, guidance, direction and support to the A.P. State Branch by ~

- ✧ His Excellency, the Governor of Andhra Pradesh and President of the Indian Red Cross Society, A.P. State Branch and all the staff in Governor s Office.
- ✧ The Hon. Chairman of the Indian Red Cross Society, A.P. State Branch

- ✧ The Principal Secretary to H.E. the Governor of Andhra Pradesh and Vice-Chairman of the Indian Red Cross Society, A.P. State Branch and his staff.
- ✧ All the members of the Managing Committee of the Indian Red Cross Society, A.P. State Branch.
- ✧ The members of the Executive Committee, Finance Committee and all other Committees of the Indian Red Cross Society, A.P. State Branch.
- ✧ The District Collectors and ex-officio Presidents of all the District Branches.
- ✧ National Headquarters of the Indian Red Cross, New Delhi.
- ✧ Partner National Societies ~ Hong Kong Red Cross, Spanish Red Cross and Canadian Red Cross, Societies, and IFRC.

I would also like thank the Government of Andhra Pradesh, in particular, the Secretaries of Finance, Budget, Medical, Health and Family Welfare. Commissioner of Health and Family Welfare, Project Director, A.P. Aids Control Society, A.P. Vaidya Parishad, Director of Medical and Health Services, A.P. Housing, Medical and Infrastructure Development Corporation, Institute of Preventive Medicine, Employment Generation and Marketing Mission and all other departmental Heads, who have played an equally vital role in helping the Branch in numerous ways.

This report would be incomplete without an acknowledgment of the support received by the A.P. State Branch and thank all the members of Work Party, Patrons, Vice-Patrons, members, volunteers and a large cross section of the Branch either by contributing or collecting resources ~ both financial and material ~ and many well wishers who choose to remain anonymous but have given a helping hand and time and thoughts and played vital role in helping the Branch to spread the message of the Red Cross and the A.P. State Branch. It would be important and critical to recall the services of the Blood Donors of Red Cross throughout the State but for whose support, the Red Cross would not have played its role.

I also owe a word of appreciation to all the staff members and other workers of State and District Branches RCH staff and other projects staff for their untiring efforts to outreach the vulnerable communities to render help them at all times.

Indian Red Cross Society

ANDHRA PRADESH STATE BRANCH HEADQUARTERS FOR THE YEARS 2009-10 & 2010-11

1. BLOOD TRANSFUSION SERVICES

(a) Red Cross Blood Bank, Vidyanagar

The Red Cross is dedicated to ensuring safe blood supply, whenever and wherever it is needed. It is equally committed to providing blood donors with a safe and relaxed environment for blood donation. It is striving to seek new ways to improve its operations and to improve the donor experience, build lasting relationships with its hospital customers and constantly improve its compliance with all blood banking regulations and standards.

Blood donation camps vis-a-vis blood units collected and issued free of

| Year | No. of blood donation camps organised | No. of units of blood collected charges | No. of units of blood issued free of service |
|---------|---------------------------------------|---|--|
| 2009-10 | 234 | 19,922 | 9408 (47.2%*) |
| 2010-11 | 230 | 20,936 | 11,673 (55.75%*) |

* of total blood units collected as against 30% fixed by NACO/APSACS

(b) Red Cross Blood Transfusion Centre at Red Cross Blood Bank, Vidyanagar

At this Centre about 750 children affected with disorder of thalassemia are given about 7000 units of blood transfusion per year, periodically freely whenever their Haemoglobin percentage comes down to 9. These children are mostly in the age Group of 0 ~ 15 and 75% of children are from low income group and below poverty line. In addition to blood transfusion, the children are required to take medicines (Asura, Desiox, Kefler) which are costly to remove the accumulation of iron in the blood in addition to some supportive medicines to enhance the haemoglobin percentage in the Blood. The average cost of medicines alone is in the range of Rs 4,000- to Rs.5,000/-. The Red Cross provides medicines at subsidy of 30% to the children of below poverty line. The estimated expenditure towards maintenance of this Centre itself is about Rs.77.00 lakhs. In the year, 2010-11, based on the proposal made by the State Branch, Vedanta foundation through its associate M/s. Lakecity Ventures Pvt. Ltd., has come forward to part finance the Centre with a donation of Rs.38.5 lakhs for one year.

(c) Para Medical Training Centre at Red Cross Blood Bank, Vidyanagar

The State Branch has revived the training of students in the courses leading to certification in Diploma in Medical Laboratory Technology and Bachelor of Blood Banking Technology by the Andhra Pradesh Para Medical Board, from academic year, 2011-12.

(d) Red Cross Yoga Prakruthi Health Kendra at Red Cross Blood Bank, Vidyanagar

Regular Yoga classes are conducted in the morning and evening for both men and women at this Centre.

(b) Reproductive Child Health Project ~ II

Established 19 Blood Banks and 81 Blood Storage Centres in the State as State Nodal Agency under RCH-II Project. Upto the end of March, 2010, 16 Blood Banks and 76 Blood Storage Centres have received statutory clearances from Drug Control Authority and started functioning.

(c) In addition, there are 22 Blood Banks maintained by the District Branches of the Indian Red Cross Society.

(d) The List of Blood Banks and Blood Storage Centres maintained by the Indian Red Cross Society State Hqrs. and the District Branches vis-a-vis the number of voluntary blood camps organised and blood units collected and issued free of service charges is in the Annual Report.

2. Red Cross Institute of Yoga and Nature Cure, Banjara Hills, Hyderabad

Renders yeoman service to spread mass awareness and benefit the traditional Healthcare system of Naturopathy and Yoga for improving physical and mental well being of general public by adoption of holistic way of treatment which being drugless is free from side-affects. The detailed data of services provided is given in the Annual Report.

3. FAMILY WELFARE CENTRES

In the twin cities, four Family welfare Centres are being maintained

- ★ Red Cross Dr. Paul Doss Maternity & Family welfare Centre, Ranigunj, Secunderabad
- ★ Red Cross Lady Barton Maternity & Family Welfare Centre, Mohammedguda, Sec bad
- ★ Red Cross M.M. Maternity and Childrens Hospital, Bowenpally, Secunderabad
- ★ Red Cross Urban Health Centre, Gaddiannaram, Hyderabad

The above Centres provide much needed maternity services, pre-antenatal and post-antenatal care, normal deliveries and child welfare services including immunization programmes, motivation services for family welfare including sterilization /vasectomy operations. Mostly, those who live in slum areas and

low income groups who are below poverty line and low-middle income groups and who cannot afford costs of private hospitals avail the services at these centres. The statistical data relating to the number of beneficiaries is given in the Annual Report.

4. JUNIOR AND YOUTH RED CROSS PROGRAMME

This Programme aims to educate and empower the children and youth in the spirit of Red Cross through constructive trainings and effective leadership, and provide opportunities for directing and harnessing their energy and idealism into worthwhile humanitarian activities

Major Objectives

1. Advocacy and inculcation of humanitarian values and character building.
2. Protection of life and promotion of community health.
3. Service and solidarity.
4. National/International friendship, understanding and education for peace.
5. Dissemination of the Red Cross seven fundamental principles .

The details of activities taken up under this programme are given in Annual Report.

6. TRAINING IN FIRST AID

First Aid has been at the core of the Red Cross Red Crescent Movement ever since Henry Dunant organised civilians to help injured soldiers after the battle of Solferino in 1859. It is an act of humanity responding to an emergency situation to save a human life. National Council of St. John Ambulance (India) and National Managing Body of the Indian Red cross Society, have authorised the Red Cross State Branches and its District Branches to impart training in First Aid and allied subjects following the common revised First Aid Manual approved by the Indian Red Cross Society, National Headquarters, New Delhi and issue certificates w.e.f. 1st January, 2011. The Red Cross A.P. State Branch provides various courses for different types of first aid training from employees working in Corporate Sector both Private and Public sector, Government organizations, factories and Industries and to Students in educational institutions, etc. and awareness programmes for Junior Red Cross and Youth Red Cross in educational institutions. The statistical data of First Aid Programmes organised is appended in the Annual Report.

7. HOME NURSING SERVICE

Home Nursing Service scheme is a unique project of Indian Red Cross State Branch which aims at providing the trained selected educated and service minded women for rendering nursing care, love, and consolation for the aged, unhealthy and bedridden patients in the twin cities of Hyderabad and Secunderabad. During the year 2009-10, 200 patients and in the year 2010-11 under report 220 patients availed the services of Home Nursing.

8. VOCATIONAL TRAINING COURSES AT RED CROSS SRI T. CHANDRASEKHAR REDDY VOCATIONAL TRAINING CENTRE, MASAB TANK, HYDERABAD

The Red Cross State Branch through a Memorandum of Understanding with the Employment Generation and Marketing Mission (EGMM), Department of Rural Development, Government of Andhra Pradesh started vocational courses in different disciplines for youth below poverty line and for placement for gainful employment

9. RED CROSS SEWING CENTRE, BANSILALPET, SECUNDERABAD

Red Cross A.P. State Branch established this Centre with an objective of training the women of economically weaker section so that they could get employment and supplement their family income. There are 40 sewing machines to train women in sewing, embroidery, design apparel, knitting, cutting and crochet and encouraging them to appear for examination and certification by the A.P. State Technical Board.

10. RED CROSS SENIOR CITIZEN HOME, NAZEEB NAGAR, HYDERABAD

With the changing social fabric establishment of old age homes for senior citizens who are unable to stay with their families or are destitute has become necessary. The Red Cross State Branch has established a Senior Citizen Home with nine cottages to start with on a land of 22 acres away from busy city roads. It aims to develop the Senior Citizen Home into a sprawling campus for older people who have nowhere to go and no one to support them, provide a safe haven creating a family like atmosphere among the residents, and a sense of security and friendship when they share their joys and sorrows with each other, with a provision of well-balanced meals. Apart from food, shelter, it also intends to provide medical amenities, yoga classes, access to telephones and other forms of communication so that residents may keep in touch with their loved ones, at reasonable costs so as to maintain the Centre.

11. MEDICINE BANK

Maintains (8) Medicine Banks through its district branches in the State including one Medicine Bank in the twin cities under its direct control, with a aim to provide medicines free of cost to poor and needy people to the extent possible, supplementing the services of the Government efforts in providing free medicines. Free medicines are also supplied at Medical Camps being organized in coordination with other voluntary agencies and community groups or representatives.

12. FAMILY NEWS SERVICE

The Family News Service (FNS) department of the Indian Red Cross Society (IRCS), with all the National Societies worldwide, plays an important role in helping to re-establish or maintain contact between separated family members. As part of the network, IRCS can help a person in India to locate a missing family member in any part of the world, be it in the Middle East, Europe, North America or anywhere else. It is a unique service provided free of charge to the public. The IRCS Family News Service (FNS) department provides its services throughout India, through the widespread. A.P. Red

Cross in coordination with the Indian Red Cross Society, National Headquarters facilitates tracing of those who were got separated from their families due to various reasons and assist in family reunification or communication.

13. DISASTER MANAGEMENT

This programme is partly funded by the Indian Red Cross Society, National Headquarters. Aims to reduce community vulnerability towards different disasters and be prepared for better disaster response in disaster prone areas of Andhra Pradesh, by ~

- (a) formation of State and District Disaster Response Teams through trainings
- (b) creating awareness in Disaster Preparedness and increase the resilience and capacity of vulnerable communities to manage and cope with disasters; and
- (c) strengthening State Branch capacities in Warehouse & Logistics Management.
- (d) Distribution of relief material in the areas affected by disasters, such as floods, fire accidents, etc.

During the year, 2009 and 2010, the State Branch has trained (1319) trainees as part of capacity building in Regional Emergency Assessment, search and Rescue and First Aid, Vulnerability and Capacity Assessment. Distributed relief material such as Dhoties, sarees, bed sheets, Vicky Stoves, Family packs worth Rs. 45.00 lakhs in October, 2009 to the flood victims in Kurnool and Mahabubnagar Districts due to unprecedented floods in Tungabhadra, Krishna and Handri rivers causing substantial damage to household property in Kurnool and some parts of Krishna, Guntur and Nalgonda Districts.

In June, 2010, the Laila Cyclone created havoc in five coastal districts of Andhra Pradesh, the major parts being Prakasam and some parts of Krishna, Guntur and Nellore Districts. The State Branch has teams and distributed relief material worth Rs. 37.60 lakhs

In October, 2010, due to heavy rains for nearly one month, enormous loss to the crops had occurred in Nellore, East Godavari, West Godavari, Krishna, Guntur, Srikakulam and Prakasam Districts. The Red cross provided relief material that was in stock with the State Branch together with some material provided by the Indian Red Cross Society, National Headquarters, New Delhi.

14. COMMUNITY BASED DISASTER RISK REDUCTION PROGRAMME

Being implemented with the funding of Canadian Red Cross through the Indian Red Cross Society, National Headquarters. The main objective of the programme is ~

- (a) Improve improved community ability to manage disasters including preparedness and response
- (b) Increase the Red Cross State, Regional Resource Branch and District Branch capacities to manage and sustain the delivery of Disaster Risk reduction programs in the targeted locations.

The main components of the programme are ~

- ★ Community Based Health and first aid
- ★ Children Protection in Emergencies
- ★ Vulnerability and Capacity Assessment and Branch Assessment

The programme is being implemented in 12 Districts of Andhra Pradesh, viz. Srikakulam, Vizianagaram, Visakhapatnam, East Godavari, West Godavari, Khammam, Krishna, Guntur, Praksam, Nellore, Kurnool and Mahabubnagar, in selected villages covering about 19,279 households with 95,577 population.

15. HIV AND PUBLIC HEALTH IN EMERGENCY PROGRAMME

Funded by the Hongkong Red Cross / International Federation of Red Cross and Red Crescent through Indian Red Cross Society National Headquarters. Being implemented in four Districts of Andhra Pradesh i.e. Karimnagar, Warangal, Prakasam and Nellore Districts. Main objectives are ~

- (a) Prevention of further spread of HIV infections among youth and community
- (b) Reduction of stigma and discrimination towards PLHIVs
- (c) Enhanced knowledge and skills on PHIE issues among Red Cross staff and volunteers.

15. MALARIA PREVENTION AND CONTROL PROGRAM

Health and community care is a cornerstone of humanitarian assistance . Red cross aims to enable communities to reduce their vulnerability to disease and prepare for and respond to public health crises. International Federation of Red Cross and Red Crescent is funding this programme through the Indian Red Cross Society, National Headquarters and is implemented in Visakhapatnam and East Godavari Districts of Andhra Pradesh. The activities under this programme are undertaken in coordination with Public Health Department (Malaria prevention) of the State Government . The activities include mapping and baseline assessment of the community, house to house campaigns in specific areas where the prevalence of malaria is higher, organising orientation workshop for stake holders, demonstration of nets and distribution of 20,000 treated nets, etc.

16. LIVELIHOOD PROJECT

Supported by the Spanish Red Cross through the Indian Red Cross Society, National Headquarters, with a specific objective to improve the livelihood capacity and fisher folk community affected by the Tasunami in East Godavari and Srikulam districts. The coverage of livelihood activities was done in consultation with District officials of the Government by the District Branches and include construction of fish drying platforms, dry fish storage sheds, ice boxes, smoking bins, curing tubs and training the fisherwomen in their usage thereby increase in their socio-economic status.

17. OTHER INITIATIVES

- (a) The State Branch has implemented the new rules approved by the President of India in 2009. Four District Branches, namely, Srikakulam, West Godavari, Hyderabad and Guntur, have also implemented the New Rules.
- (b) A H.R. Policy is formulated and implementation. Staff are being trained regularly to improve their professional capacity and commitment.
- (c) Under the RCH-II Project, 19 Blood Banks and 81 Blood Storage Centres are established. (18) Blood Banks and (76) Blood Storage Centres are functioning. Approvals for licence in respect of one Blood Bank and (5) Blood Storage Centres are under consideration of authorities concerned at various stages. The State Government is providing cost of running these centres.
- (d) Approval was obtained in March, 2010 for taking up new project from Income Tax authorities who have given 100% exemption of Tax for donors who contribute to the following projects:-
- ✳ Upgrading of Red Cross Blood Banks in Andhra Pradesh
 - ✳ Construction of AYUSH Hospital with a research centre
 - ✳ Establishing Medicine Banks in 23 Districts of Andhra Pradesh
 - ✳ Construction of cottages for Senior Citizens Resort, Nazeebnagar, Rangareddy District.
 - ✳ Construction of Administrative Blood of Indian Red Cross Society, A.P. State Branch.

Under the above Projects, an amount of Rs. 84.57 lakhs is received as donation from the following:-

- ✓ Rs.50.00 lakhs by National Mineral Development Corporation
- ✓ Rs.10.00 lakhs by Singareni Collieries Company Ltd.,
- ✓ Rs.1.80 lakhs by Rachamalla Forgings Pvt. Ltd.
- ✓ Rs.1.00 lakh by Smt. Gayathri Reddy
- ✓ Rs.19.25 lakhs by Vedanta Foundation through M/s. Lakecity Ventures Pvt. Ltd.
- ✓ Rs.2.00 by Shri B.N.S. Kumar, Secretary, A.P. Para Medical Board, Hyderabad
- ✓ Rs. 0.35 lakhs by individuals donations ranging from to Rs. 5,000/- to Rs.10,00/-)

Red Cross A.P. State Branch would like to thank them all and we appeal to other Corporate to contribute to this noble cause.

AUDIT REPORT

We have audited the annexed Balance Sheet of the **Trust Fund Account of the Indian Red Cross Society, A.P. State Branch, Hyderabad** as at 31.03.2010 and also the Income and Expenditure A/c for the year ending on that date appended here to and report as under :

1. Re-groupings of heads have been made wherever necessary.

Subject to the above:

1. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of the audit.
2. In our opinion, proper books of accounts as required by law have been kept by the Trust Fund so far as appears from our examination of the books.
3. The Balance Sheet and the Income and Expenditure Account dealt with by this report are in agreement with the books of account of the Trust Fund.
4. In our opinion and to the best of our information and according to the explanations given to us, the accounts give a true and fair view :
 - a. In the case of the Balance Sheet, of the State of Affairs of the Trust Fund as at 31st March 2010, and
 - b. In the case of Income and Expenditure Account, of the Excess of Income over Expenditure of the Trust Fund for the year ended on that date.

AUDIT REPORT

We have audited the annexed Balance Sheet of the **Trust Fund Account of the Indian Red Cross Society, A.P. State Branch, Hyderabad** as at 31.03.2011 and also the Income and Expenditure A/c for the year ending on that date appended here to and report as under :

1. Re-groupings of heads have been made wherever necessary.

Subject to the above:

1. We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of the audit.
2. In our opinion, proper books of accounts as required by law have been kept by the Trust Fund so far as appears from our examination of the books.
3. The Balance Sheet and the Income and Expenditure Account dealt with by this report are in agreement with the books of account of the Trust Fund.
4. In our opinion and to the best of our information and according to the explanations given to us, the accounts give a true and fair view :
 - a. In the case of the Balance Sheet, of the State of Affairs of the Trust Fund as at 31st March 2011, and
 - b. In the case of Income and Expenditure Account, of the Excess of Income over Expenditure of the Trust Fund for the year ended on that date.
